Hold On

by Keith Moore

Hold on, hold on, keep believing
be strong, 'cause in a little while
it's gonna be alright.

Hold on, hold on and it won't be too long
until your faith will turn to sight.

You could give it up today
There's no reason you should fear
If the deep within you cries,

and cast your confidence away
when the answer is so near.
and your soul's not satisfied,

and always wonder just where you went wrong.
You know it's always dark before the dawn.
and the spirit in you yearns and groans.

Though dark may be the night
The Lord will never let you down,
He will give your heart's desire,

and hard may be the fight, you will win
if you'll only hold your ground. You will win
make you perfect and entire, you'll be filled

if you just hold on.
if you just hold on.
if you just hold on.

I've Got The Victory

by Keith Moore

I've got the victory living inside of me. I've got the greater one, I can overcome. This ain't no time to turn back, no place to grow slack, I've got to keep pressing on till every battle is won. I've got the battle is won. Sometimes the way might seem a little bit hard.

You might be tempted to grow weary and tired.

Make sure your calling, and do not be moved,

that you may stand before the Lord fully approved.

Always
by Keith Moore

\[ \text{\textbf{D}b} \quad \text{\textbf{A}b} \quad \text{\textbf{E}b/\textbf{A}b} \quad \text{\textbf{A}b} \quad \text{\textbf{D}b} \quad \text{\textbf{E}b} \quad \text{\textbf{A}b} \quad \text{\textbf{E}b/\textbf{A}b} \quad \text{\textbf{A}b} \]

Always, always, I triumph again and again.

\[ \text{\textbf{D}b} \quad \text{\textbf{E}b} \quad \text{\textbf{A}b} \quad \text{\textbf{E}b/\textbf{A}b} \quad \text{\textbf{A}b} \quad \text{\textbf{D}b} \quad \text{\textbf{E}b} \quad \text{\textbf{A}b} \quad \text{\textbf{E}b/\textbf{A}b} \quad \text{\textbf{A}b} \]

Always, always in Jesus I always win. When it seems like a long hard climb, the devil says looks like this is it, everything seems like there's just no way and it feels you won't win this time. No say give up and quit. With matter how dark it may be, there's just one thing I see, get back up and I go on in the Lord, I am strong. tri- als and fears all around I don't let it get me that's the victory. down, I just keep keeping on. I don't let it get me down.

No God As Big As Mine

by Keith Moore

There is no God as big as mine.

Too big a problem, you just can’t find.

and it makes no difference what the devil tries,

there is no God as big as mine.

Well when your back’s against the wall and your mountain
When that devil’s talking loud and he boasts

tain seems so tall and the enemy is quick-
himself so proud and he’s telling you the things

lift your head up high,
your reputation
depends on what you do in his place.

Tell him there's no God as big as mine.

Hal-le-lu-jah I'm free, I'm free there's nothing binding me. By the blood of Jesus.

I've been set free. Hal-le-lu-jah I'm

Not so long ago I was bound by the enemy.

with poverty and lack and with sickness and disease.

No More Bondage

by Keith Moore

No more bonda-ga, no more bonda-ga,

'Cause whom the Son sets free, he's free in-deed.

No more bonda-ga just glor-i-ous lib-er-ty.

I don't have to be sick no more, I don't have to be poor no more,

I don't have to be bound no more by any-thing.

'Cause whom the Son has set free, you know he's free in-deed.

No more bonda-ga just glor-i-ous lib-er-ty.
