Sun Of Righteousness
by Keith Moore

The Sun of Righteousness has risen with healing in His wings.

The Sun of Righteousness has risen with healing in His wings.

And He shines on you and He shines
And there's health for you and there's health

on me. He shines for all the world
for me. He gave us life abundantly

to see that there's whole-ness in the healing wings
and there's whole-ness in the healing wings

of the Sun.

Keeping My Mind Stayed

by Keith Moore

\[ \text{\begin{align*}
\text{I'm keeping my mind stayed on the Lord, my mind stayed upon the Lord. I'm keeping my mind stayed upon the Lord. He's my meditation night and day. I'm casting down imaginations and false reasonings. I've made the Word my constant meditation and the Lord is keeping me in perfect peace.}
\end{align*}\]
My Confession Stays The Same

Well I read in the Bible where God said I was healed. He didn't say a thing would change because of how I feel.

Walk by faith and not by sight. The Word is very clear and no matter what my body says the Word still says I'm healed.

You know my body may change with symptoms, signs or pains as the devil tries to make me say I'm sick. But like a dog with a bone he must leave me alone my body may change but my confession...
"My Confession Stays The Same"

2. Second Corinthians four eighteen says we look
not at that which is seen
but at the Word of God which cannot change.
Call those things which be not yet
just as though they were
and believe it in your heart and let
God take it from there.

3. Hold fast to your con-fes-sion,
be steadfast to the end,
cast not away your confidence.
These great words were written
so that we would never quit.
Once you know what God has said
just set your face like flint.

4. You know anything that contradicts
the Word is just a lie
and there is no room for ifs and buts and whys,
In order to receive from God agree
with what He said.
If you will refuse to change
that need will sure be met.
I Believe That I Receive

by Keith Moore

I believe that I receive, it's mine according to the Word of God it's mine.

I know the Lord has heard my prayer I cast upon Him all my care.

now I know the answer's here, it's mine. It's mine, it's mine it's mine.

I know the Lord has heard my prayer I cast upon Him all my care.

now I know the answer's here, it's mine.

Sickness Blues
by Keith Moore

Well the devil came knock-ing on my door. Said, "I've got a lit-tle sick-ness for you my boy" I looked through the key-hole

said "That ain't for me" "You see Je-
sus took all my dis-case and pain and I'm healed by His stripes, in His

Ho-ly Name and be-sides all that I don't want noth-ing from you."

I ain't gon-na be sing-ing no more of them

sick-ness blues by open-ing up my door to you. You can stand

out there till Je-sus comes

"Cause I'm stand-ing on the Word and the Word don't change

"Sickness Blues"

G7

Holy Ghost backs it in Jesus Name—So just take

A7   D7   G

your stuff—back from where it came.

2. He said, "Yeah, but what about
that feeling and pain
see you've already got it,
it's too late to change.
You might as well admit it,
and open up the door."
I said, "I know you're a slick one
you're just full of tricks.
But I ain't gonna fall for that old 'feeling bit'.
You see I walk by faith and not by how I feel."

3. He said, "Yeah, but God sent
me here with this
so you would grow in holiness.
Take it like a man,
and open up the door."
I said, "Now God put it all
on Jesus my King
and you telling me I
ought to bear it again?
Besides all that,
He don't work with you."

As They Went

by Keith Moore

As they went, they were healed. As they acted on the Word, every symptom disappeared.

Circumstances hadn't changed, everything still looked the same. As they went

they were healed. A nobleman came down

Ten lepers stood afar,

and besought the Lord most high, "Come and cried for mercy of the Lord."

"Come down and heal my son, before he dies." The Lord said, "Go show you to the priests."

They questioned not the Word, but turned and acted what they heard

as he went, he was healed. as they went they were healed.
