Peace Of God

by Keith Moore

I let the peace of God rule in my heart. It qui-ets my mind from fear-ful thoughts and when prob-lems a-rise like storms on the sea the peace of the Lord is up-on me. When cares of this life, it's wor-ries and strife, tempt-ed to fret and get all up-set just re-try to en-ter in-to your life, it's mem-ber the One who's in-side you. You all up to you, which way will you choose. Will you have over-come, yes the bat-tle's been won and the wor-ry and sin or let the peace en-ter in? peace ush-ers in while your mind's stayed on Him.

Safe am I in the tower on high. So secure from the storms below. Safe am I in the tower on high,
shepherded under the wings of love.

Well the devil he shouts from far below, "Come down
from your tower so high above. Come reason with me. Won't you feel and see, for
then I will make you to know defeat."
Well the Lord fights my battles and He wins them all. While I sing

His praises from the tower wall. I will not come down—I stand

and refuse. I will stay in this tower. I'll never be moved.
My Rock

by Keith Moore

\[ \text{The Lord is my rock and my high tower and my safe dwelling place.} \]

\[ \text{He is rest in distress. He's a shadow from the heat. He is} \]

\[ \text{blast of the terrible ones, He's a refuge from the storm. He is my safe dwelling place.} \]

Rest Of God
by Keith Moore

When you believe there is a place you enter in.

A place of peace and quiet rest.

There's no more struggles, no more labors of your own.

You've entered in the rest of God.

There was a time I tried to do it by myself.

but I just wasn't big enough.

Then I found out that the battle is the Lord's. Now I

sing the victory while the Lord fights for me.

Rest Of God

When you believe you've got it now there's no more fear.

All your doubts and your worries just disappear.

You're so relieved you've finally got what you've desired. Now you're standing on. His Word knowing well that He has heard.
His Grace Is Sufficient

by Keith Moore

Ohh—His grace is sufficient. Ohh—His grace is sufficient. I know—His grace is sufficient. No matter how dark is the night, when you can't see any light, His grace is sufficient. If the road is long and you feel so all alone, His grace is sufficient. Obstacle you meet and you feel so incomplete still His grace is sufficient. Ohh—His grace is sufficient. No matter if the road is long and you feel so all alone, His grace is sufficient. Obstacle you meet and you feel so incomplete still His grace is sufficient. Ohh—His grace is sufficient. No matter how hard is the fight, when it think that you're not strong and you you face your greatest task and you seems you've no more might, still His grace is sufficient. Wonder if you can go on still His grace is sufficient. Think you will not last still His grace is sufficient.

In My Father's Hand

by Keith Moore

I'm in my Father's hand...

By His grace I will stand. And

no enemy can take me out of His hand because

I'm in my Father's hand.

I'm in my Father's hand.

I've been seated with Jesus in heavenly places in Christ. I've been seated with Jesus in heavenly places in Christ. I've been given His power. I've been given His Name. And now in this life I rule and I reign 'cause I'm seated with Jesus in heavenly places in Christ. Seated far up above all the heavens. I'm seated far up above all the

God Is My Refuge

by Keith Moore

God is my refuge and my strength.
He's a very present help in times of trouble.
I know God is my refuge and my strength.
He's a very present help in times of trouble.
There
fore will not I fear—though the earth be removed, though the moun-
tains are car-ried into the midst of the sea.
Though the wat-ers roar and are troub-led, though the moun-
tains shake and fall,

God is my refuge and my strength.
